Supervisor Biane seeks applicants for Crest Forest MAC

Crestline - Second District Supervisor Paul Biane announced today that applications are now being accepted to fill a vacancy on the Crest Forest Municipal Advisory Council (MAC). The vacancy was created due to the retirement of the current MAC Chairman Steve Pleasant. Registered voters who live in and around Lake Gregory, Crestline, Valley of Enchantment or Cedar Pines Park that have a sincere desire to serve their community are encouraged to apply.

The Crest Forest Municipal Advisory Council was created by the Board of Supervisors and is responsible for reviewing and commenting on matters concerning the Crestline community. "MAC membership is an opportunity for dedicated people to invest themselves in the betterment of their neighborhoods. Active community involvement pays dividends to those who have a real interest in improving their communities through the volunteering of their time and experience," said Biane.

Steve Pleasant has been a member of the Crestline community since 1970 and is known for his sincere dedication and unselfish public service. Steve has served as a member of the MAC for twelve years and as Chairman, he was very much respected by his fellow colleagues. In 1990 he was also elected to serve on the Crestline Lake Arrowhead Water Agency where he continues to serve today. "Steve is extremely committed to improving the Crestline community. He was a valuable member of the MAC and will be missed," said Biane.

The Board of Supervisors appoints MAC members in accordance with the California Government Code and the board approved resolution. The Crest Forest Municipal Advisory Council provides the Board of Supervisors with information regarding community concerns and comments on future plans. The Council also serves as the advisory commission to the Crestline Sanitation District. In this capacity MAC members review and comment on levels of service and the sanitation district's budget.

The Crest Forest MAC meets the fourth Wednesday of every month at 7:30 pm. Interested eligible applicants may obtain an application at Supervisor Biane's Crestline office at the Chamber of Commerce building, weekdays between 10:00am and 2:00pm, 24385 Lake Drive or an application may be mailed to you by calling 909-338-1251 or 909-387-4833.
